

MODEL HOMES FOR NEW DECADE

In the spirit of sharing the dream for quality affordable homes, Grand Monaco Residences recently launched their new real estate properties for families who are house-hunting this year. 'Kaagapay sa Pangarap' is the ongoing theme for Grand Monaco's 2010 deal. The dream houses and lots located along Sumulong Highway in the Marikina/Antipolo area are realistic in terms of availability and within reach when it comes to affordability. Clean environment, accessibility, and safety are also factors that Grand Monaco have put into consideration when building their projects on prime land. Now is the time to inquire and invest with Grand Monaco. Own an ideal house in the right community. Transactions may be done through bank and in-house financing.
